

Let's Redefine Loyalty Together

Launch a powerful loyalty program without an app

COFFEE HOUSE

Digital Punch Card

5 of 10
Stamps

COFFEE

Points Loyalty Card

1,250 Points

Free Drink Reward
Collect 2,000 Points

About the Digital Wallet

- Two types of digital loyalty cards.
- No need for physical cards.
- Easily added to Apple and Google wallet.
- No hardware need - just scan QR codes with any smartphone.

Paper Cards Problem

- Traditional punch cards are easy to misplace or forget.
- Lost card can lead to frustrated customers
- Printed cards require printer cost and management.

Benefits

Increased customer engagement

Improved customer retention

Insightful data for businesses

Reporting Benefits

- **Customer Insights** → Access customer data & preferences easily.
- **Purchase Tracking** → Monitor visit frequency & spending habits.
- **Top & Lost Customers** → Identify best customers and re-engage inactive ones.
- **Performance Analytics** → Measure average spend, reward redemptions, and campaign success.
- **Data-Driven Marketing** → Optimize offers based on real-time insights.

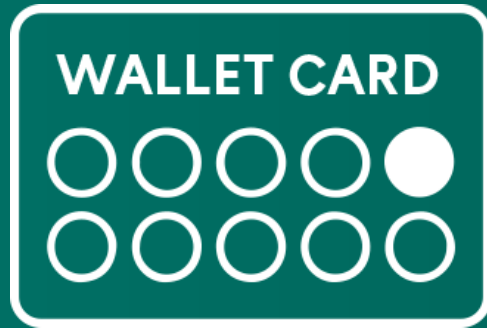

How it works

1

Scan QR
code

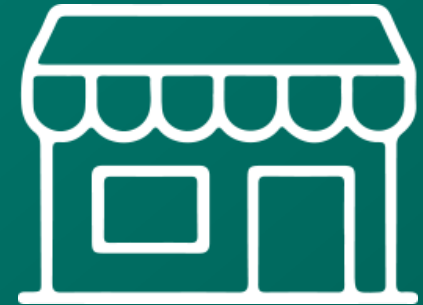

2

Stamp /
Points added
to the wallet

3

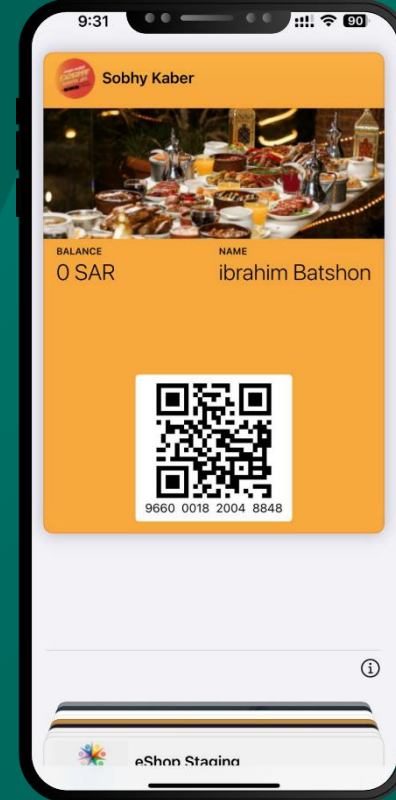

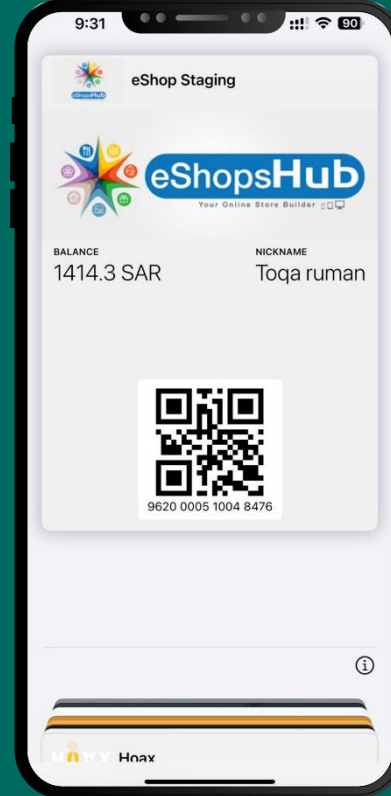

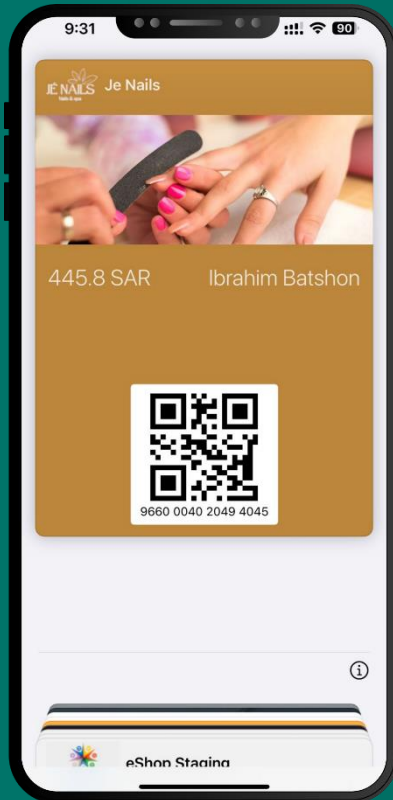

Get notified
when reward
is ready

4

Redeem in
store next
visit
